

Attorney Referral Program

Members may contact any of the following attorneys to receive free consultations and to investigate the need for additional services. Participating attorneys have requested that members mention the MSEA Attorney Referral Program when setting up an appointment—some firms are instituting special office procedures to expedite the handling of inquiries. MSEA members should expect to receive a 30 percent discount for matters in the five core areas of real estate, wills and estates, domestic relations, consumer protection, and traffic violations.

Teachers should inquire about specific fees before engaging the services of an attorney.
