Leadership 2 2018.

Give a brief statement of your goals, background, intentions, etc. This information will be copied verbatim and distributed to EASMC members. The biographical statement below must be submitted electronically to the EASMC Office Manager (jwaybright@mseanea.org) by February 9 at 8:00 p.m.

I have been an EASMC member since 1999. My goals as Member at Large is to represent all educational support personnel and teachers. I have learned as a representative that it takes more effort than just going to the monthly meetings. As leaders in our field, I needed to attend trainings offered by EASMC, MSEA and NEA. I needed to speak at Board of Education meetings. I was part of the effort over the summer when called upon to represent EASMC to be part of the SMCPS committees of dress code and Health and Safety to address current needs of our staff and students during Covid. As a science teacher I was adamant about masks, sanitizers and other precautions set forth by the CDC and how that impacts our work space.

My intention is to be at every meeting of the board, continue my presence on committees, represent us in the MSEA and NEA delegations and as needed functions representing the EASMC Board, our members and students.

Power In Unity
